I, the undersigned, do hereby affirm that I am the authorized representative of the above organization about its participation in the 2025 Christmas in the Village Electric Light Parade. I understand that submission of this application does not guarantee my group's participation in the parade and that parade line up is on a "first come first serve" basis. I also affirm that there will be ***no throwing of candy/toys*** while in the parade. This is a safety concern for our children as this happens during the evening with only electric Christmas lights and visibility is limited. If you have any questions or concerns, please contact Jeanne at the bottom of this application.
